

Dear guests,

According to the Corona Ordinance of June 23, 2020 in the version valid from September 30, the Studierendenwerk is **obliged to collect your contact details**. If you do not agree, we will unfortunately have to deny you access. In accordance with the Corona Ordinance on Study Operations and Art from the Baden-Württemberg Ministry of Science of September 16, 2020, **the obligation to collect data no longer applies to the distribution of drinks and meals to take away.**

.....

Ordinance of the State Government on infection protection measures against the spread of the SARS-CoV-2 virus (Corona Ordinance VO) dated June 23, 2020

Part 1, Section 3: Special requirements, § 6 data collection

(1) Insofar as data are to be processed by the provisions of this Ordinance or on the basis of this Ordinance, those present, in particular visitors, users or participants, may give their first and last name, address, date and time period of the presence and, if available, the telephone number exclusively for the purpose of information issued to the health department or the local police authority according to §§ 16, 25 IfSG are collected and stored. A new survey is not required if the data is already available.

(2) The data must be saved for a period of four weeks and then deleted. It must be ensured that unauthorized persons do not gain knowledge of the data.

(3) Upon request, the data shall be transmitted to the competent authority in accordance with Paragraph 1, Clause 1, if this is necessary to track possible routes of infection. Any other use is not permitted.

(4) Those obliged to process data must exclude persons who refuse to collect their contact details from visiting or using the facility or participating in the event.

§14 Validity of the general infection protection requirements for certain facilities and businesses

Anyone who operates or offers the facilities, offers and activities listed below has the hygiene to comply with the requirements according to § 4, to create a hygiene concept in accordance with § 5 beforehand and to collect data and carry out a survey according to § 6:

Ordinance of the Ministry of Science on anti-infection measures against the spread of the SARS-CoV-2 virus in the business areas of the Ministry of Science (CoronaVO study operations and art)

§4 Data processing at universities for areas with study operations and student unions

(2) For canteens, cafeterias and similar facilities with visitor traffic of the student union, the duty to process data according to §6 coronaVO does not apply to the distribution of drinks and food exclusively.

Take:

1. Universities, academies under the Academies Act, state libraries, archives and student unions,

2. ...

.....

The procedure and data protection procedures are as follows:

- Please fill in the user ID yourself in legible font.
- Each time when you enter our facility, your ID card will be digitally photographed so that your present period will be recorded.
- After the prescribed four weeks, the digital photos of the ID cards will be deleted.
- The digital photos will not be transferred to any other devices, but remain on the storage medium of the smartphone.
- The smartphones used have in general no network or internet connection i.e. WLAN and cellular network remain permanently deactivated.
- The smartphones are kept safe outside opening hours
- Alternatively, you can also fill in the contact details every time and submit it.
