

+ SERVICES

- Events
- Insurance
- Semester ticket

Events We take part in various information- and culture events or support them.

Insurance

Accident insurance is guaranteed during all activities in university facilities as well as on your way to university and back home.

In addition to that students are insured via their Studierendenwerk fees:

- The **leisure time accident insurance** covers immatriculated students during leisure time, internships, and exam-preparation activities outside of university. It covers:
- disability, death and salvage costs
 - accidents during a job or during acting out a profession (also as a student employee) which the employers' liability insurance has to cover according to SGBVII if the job is part of the studies;
 - students who study 1-2 semesters abroad
 - immatriculated students during exchange semesters or internships abroad which are part of the ERASMUS program for max. 24 months

Excluded are internships that have no direct connection to studies.

Damage events have to be reported at once to the secretariat of legislation, accommodation and social affairs: phone: 0731 50 23811 or versicherung@studierendenwerk-ulm.de

Semester ticket

The Studierendenwerk negotiate in the name of students the terms of the semester ticket with transport networks. <https://studierendenwerk-ulm.de/semesterticket>

S STUDIERENDENWERK

- Tasks
- Non-profit and fair!
- Financing

The social infrastructure which is made available by the Studierendenwerk Ulm at the supervised universities is basically financed by fees which are paid to the Studierendenwerk Ulm solidarily by all students. The Studierendenwerk Ulm – as a non-profit institution – is primarily not interested in making profit and can therefore offer its services to an ideal and fair price-performance ratio. Generated surpluses are used for paying back existing liabilities, for generating capital resources as savings for replacement purchases and new investments. We are financed by sales and in-plant earnings (approximately 72%), financial supports of the federal state Baden-Württemberg (approximately 13%), fees which are paid by the students (approximately 12%) and other financial supports and proceeds (approximately 2%).

We are a partner of the following universities:

Ulm	Ulm University Ulm University of Applied Sciences
Schwäbisch Gmünd	University of Education (PH)
Aalen	University of Design (HfG) Aalen University of Applied Sciences - Technology and Economics
Biberach	Biberach University of Applied Sciences
Heidenheim	Baden-Württemberg Cooperative State University (DHBW) Heidenheim
Neu-Ulm	Neu-Ulm University of Applied Sciences (Students of the Cooperative Study Course)
BAföG support	HfK+G Ulm SRH Fernhochschule - The Mobile University Riedlingen

YOUR STUDIERENDEN WERK

Studying is beautiful but can be challenging. The Studierendenwerk Ulm facilitates the daily routine and supports students so that they can concentrate entirely on their studies. Ca. 250 employees take care of about 28,000 students who study at 7 universities in South-East-Württemberg.

FOOD AND DRINK

- 6 Canteens
- 14 Cafeterias, including 8 with food bank, 1 with burger bar
- 1 Bistro
- 2 Food trucks
- 5 Vending machine cafeterias
- Catering

Due to our canteens and cafeterias we are able to offer a fast and inexpensive supply of food at each university. By the way, with us you can enjoy with a clear conscience: our coffee comes exclusively from fair trade, side dishes such as pasta, rice and potatoes are mainly organic. You can pay cash or with your chip card. With the Load on Demand procedure you always stay solvent. If our canteens and cafeterias are closed, a basic supply by our various vending machines is guaranteed. At events, we serve your guests with our **catering**.

ACCOMMODATION

- 12 Dormitories (1,953 living spaces)
- Private room portfolio

.....
 We offer single apartments as well as bigger apartment-sharing communities in which the residents share the kitchen. We are also considerate of special requirements. Disabled students as well as single parents with a child can find suitable apartments in the dormitories.

<https://studierendenwerk-ulm.de/accommodation>

Also, students can look for apartments by using our big portfolio of private rooms.

https://studierendenwerk-ulm.de/private_room

The department is located at Manfred-Börner-Str. 5 in Ulm.
wohnen@studierendenwerk-ulm.de

FINANCIAL SUPPORT

- “BAföG”
- KfW-student loan
- Counselling concerning loans and scholarships
- Social fund

.....
 Sometimes the financial possibilities of parents are not sufficient for financing the studies. We advise on the issues “private study financing” and “scholarships”.

Social fund: <https://studierendenwerk-ulm.de/save>

COUNSELLING AND CARE

- Psychosocial counselling
- Legal advice
- Childcare
- Disabled and international students

Psychosocial counselling

.....
 We offer all students support and advice in case of personal or study-related problems. In the context of individual consultations (in German or English) and courses we provide students with competent advice and assistance in solving psychosocial problems. Further information, our course program and online appointment reservation can be found on our website.

<https://studierendenwerk-ulm.de/psychosocial>

Legal advice

The Studierendenwerk Ulm also offers mediation and legal advice free of charge.

<https://studierendenwerk-ulm.de/legal>

Childcare

A reliable childcare as for example our crèche or other institutions of childcare supported by us is often a condition for the studies of students with children.

Mensa-Kids-Card:

Students' children eat for free up to the age of 10.
